

Home Of Imports

Renay Solutions delights in reliving you of the effort put into importsl logistics. We are here to redefeine this process for you in a simpler way. Our simpler way is by allowing you to relax as we do the sourcing for you, do purchases and handle all the paper work required by customs in both country of origin and destination. To add onto this, we deliver it right at your door step.

Countries Covered:

CHINA United Kingdom United States Of America

Designed and coded by Rennish Mboya

- 1. Customise anything "renay solutions" to whichever name you wish.
- 2. Change the coded by part to read your name.
- 3. While uploading on github, name your file as "CIS 221 CAT 1".
- 4. All the best.
